2021-2022 Yearbook

Interested in yearbook design? If so, please fill out and return this application to Mrs. Rowland Room C113 **BY FRIDAY AUGUST 27th.**

Yearbook Staff members will be **required** to attend yearbook meeting scheduled for **FRIDAY mornings promptly at 8 am**. This is BEFORE the school day starts! (specific dates to come). IF this will be a problem for you and you will not have a ride available to get you here, then yearbook will not work as an extracurricular activity for you. Our meetings will be before school as to avoid conflicts with other after school extracurricular activities in which you may be involved with throughout the school year.

Our yearbook is designed using an online program. Meeting attendance is VERY important and will be the only way to learn how to create your yearbook spreads. You must be reliable and self-motivated to meet deadlines and put effort into your pages outside of the school day. If this sounds like the club for you please complete the following information and return to Mrs. Rowland Room C113.
